Canine Adult Wellness Plan

To help you provide your canine friend with the best possible preventative healthcare, Care Animal Hospital offers a complete Adult Wellness Plan. This is complete healthcare for your dog for an entire year. The payment for this 1 year plan are divided into 12 equal payments or you also have the option to pay in full at time of enrollment. When your pet comes in for the first time and is signed up on the plan, the first month's payment will be made as well as an Enrollment Fee. After this, the automatic payment will be made on the 15th of every month. Wellness Plans can be renewed in a year for the Adult Wellness Plan or the Senior Wellness Plan (recommended 7 years of age and older) after this one expires. Below is all services that are included in the plan.

This plan includes:

Wellness Physical Exam: Done with annual vaccine visit to make sure that your dog is healthy enough for the vaccine, to offer any advice about dog care, and address any health concerns since the last visit.

Comprehensive Physical Exam or Puppy Exam: Complete exam to be used any time that your dog is sick/injured or for puppy vaccines.

Nursing Care Exam: An included exam if vaccines need to be spread across multiple visits.

Nursing Assistant Visits (2): Included nursing assistant visits to perform other services like nail trims.

Vaccines (5 or less depending on what vaccines are due):

- **Distemper, Adenovirus 2, Parainfluenza, and Parvo Vaccine (DA2PPV):** This four-way protects your dog against infectious diseases.
- **Rabies Vaccine:** To protect for Rabies for 1 or 3 years.
- **Bordetella Vaccine:** Given to protect against kennel cough.
- **Lyme Vaccine:** Given to protect against Lyme disease.
- **Lepto Vaccine:** This is a four-way vaccine for multiple variants of Leptospirosis.
- **DAP:** This is a three-way vaccine that is given to an adult dog on a 3 year rotation.
- **CPV:** This Parvo vaccine is given to an adult dog on a 3 year rotation.

Simparica Trio Prevention (12 month supply): Oral, monthly prevention that is given to prevent fleas, ticks, intestinal parasites, and heartworm disease all year.

Parasite Protection Panel: A blood sample and stool sample that is looking for heartworm disease, tick-borne disease, intestinal parasites as well as a full internal exam including a CBC (Complete Blood Count) and Chemistry 10 screen looking at kidney, liver, glucose, and protein levels. This checks all major organ functions, detect early infection, parasites, and establish a baseline normal for your pet.

Nail Trim (2 nail trims): To be used anytime throughout the year.

This **Canine Adult Wellness Plan** starts with your first visit and ends in 12 months. The monthly payment is **\$82.50** with a \$40.00 enrollment fee. Total value of the Wellness Plan is \$990.00.

Q&A--

—Is there a discount for doing as a plan? No.

—Are the payments automatically charged? Yes on the 15th of every month.

—Can I add on anything else with the payment? No. Any additional vaccines, services, products are to be paid at the time of service.

—Can I decide on a different day to do the plan? No. After services are given, we cannot go back and put them on a plan.

—Can I substitute items in the plan? No. We have made them to provide best medicine and more reasonable way of paying for it.

—Are Urgent Care Exams included in the plan? No. Only Comprehensive Exam (1) or puppy exam (1) and Wellness Exam (1) are included as per plan.

—Are Nursing Care Exam included in the plan? Yes. 1 visit with a Certified Vet Tech and 2 visits with a Nursing Assistant are included with this plan.

—Are medications, radiographs, other lab testing included in the plan? No. Only what is listed above.

—What about patients that cannot have or do not want Simparica Trio? At this time we do not have plans that don't include prevention or different types of prevention.

—What happens at year end? A renewal notice will be sent out 30 days prior to the plan expiring to set up the next plan.
